Stop for a moment and think about this: *What if Jesus' resurrection was a fraud? What, then, is the meaning of your fleeting life on earth?* If Jesus didn't come back, alive, from the dead or if His resurrection was a hoax, then nothing—absolutely nothing—has any meaning at all. Because Christ *has indeed risen*, we have every reason to live well, to worship God, and to savor the blessings we enjoy today. Why? Because these earthly blessings are only a taste of so much more to come. And that's our hope, isn't it? Jesus' resurrection promises that we, too, will be resurrected one day . . . never to die again.
