**Happy Mother’s Day! Mothers are a wonderful gift from God to us.** To those who have a living mother to honor is truly fortunate, for the opportunity still remains to speak the word of endearment and appreciation and pride which is the only thing she covets. To those who only have the memory of a mother can know the richness and beauty and comfort of it by calling back the memory and cherishing it, which fulfills the faith of the one who gave them life.
